

Windsor Mansion Inn

Wedding & Event Site Packages

The Windsor Mansion Inn is a magnificent fourteen thousand square foot completely restored colonial mansion available for weddings, events and overnight lodging. Set atop an impressively manicured hill in Windsor, Vermont, we are conveniently located near major highways and close to both Woodstock, Vermont and Hanover, New Hampshire. The interior features both antique and traditional furnishings throughout our 22 rooms which include: Great Entry Hall, Private Dining Room, Our Bar, Presidential Study and 17 elegantly decorated lodging chambers. The exceptionally manicured exterior grounds include; two entertaining patios, a large fire pit, impressive lawns, game area, and formal gardens.

The Windsor Mansion Inn is an elegant wedding venue and also a great value for today's couples. Unlike a hotel ball room or traditional catering hall where you may have a limited menu or food and beverage minimum purchase requirements, at The Windsor Mansion Inn we can help you pick your caterer and customize your entire wedding event to your exact specifications. You may choose your own vendors or pick from our list of trusted service providers featuring the area's most renowned caterers, photographers, DJ's and other needed suppliers. This allows couples to better control their wedding budget and create a totally unique and memorable event experience for you and your guests. Our onsite bar provides you with exactly what you need for your alcohol requirements.

Planning your own wedding is great and the staff at the Mansion is experienced, hospitable and, most of all, very accommodating. We can help you fulfill your dream wedding. Our goal is to make your special day a reflection of your taste and an elegant beginning chapter in your life's book of memories.
